Betonelli

Bentonelli ride on trowels are built from italian design offering quality, reliability, long life well balanced, reliable, heavy duty workhorse that will give you years of service and a great return on your capital investment.

BN36LGH

- The contoured handle for maximum control and comfort
- Handle is laterally welded tri tube for max strength
- Control cables and wires run inside the handle for maximum protection
- Precision machined bronze gear tailored to a hardened ground worm gear
- Tapered mainshaft for perfect locking fit to spider plate
- Dual safety stop systems
- Chromed guard ring and handle for easy cleaning
- Lifting hook as standard
- Impact resistant aluminium gearbox
- Precison machined spider plate and matched trowel arms to very fine tolerances ensure minimum wear and a long service life
- Trowel arms grease grooved ensuring grease moves along the entire contact surface ensuring continual free movement and minimal wear Which is all backed by a 4 year gear box guarantee
